I would love to see you while I am back in the States this summer. One of the things I need to do while I am back is look for more partners to help US reach the Czech Republic, Europe and beyond. Would you be willing to help me get in touch with more people, who will to join US in this adventure? Either way, I would love to hear from you. You can contact me by email (zachharrod@gmail.com) or phone (920.203.6132). As always know you're vital to what GOD is doing here!

Thank you for being you!
